Bilateral Meetings

- Friday 21st September 10:15 - 12:30

Description

The company Gaya Plus s.r.o was established in 2012. It was transformed from business to Ltd company.

The company has been specialized in construction market for more than 15 years. We ensure a building job by subcontracting. We offer carpentry job, ironing and concreting. Our company is mainly focused on building, repairing and reconstruction of bridges, reconstruction of railways, rail stations, building of cycle tracks etc.

We employ 15 employees. We work under subcontracting for building companies mostly in Slovak and Czech republic.

To our potential partners we can offer building job [under their technical supervision](#).
