Bilateral Meetings

- Friday 21st September 10:15 - 12:30

Description

Mendel University in Brno, abbreviated to MENDELU, was founded in 1919 and is the oldest university of its focus in the Czech Republic. The University consists of five faculties and one University institute; the entire University is based in Brno. Mendel University in Brno has dedicated facilities for science and teaching, including the Botanical Garden and Arboretum, Training Agricultural Enterprise Žabčice and Training Forest Enterprise Masarykův Les Křtiny. The Faculty of Forestry and Wood Technology at Mendel University in Brno (FFWT MENDELU) is one of the major university teaching institutions in the Czech Republic, concentrating on research and academic activities in the areas of arboristics, furniture design and furniture technology, forestry, landscaping, timber structures and wood building construction, wood technology and timber management and furniture design on bachelor, master and doctoral levels, and in research and expertise in the respective fields. Our mission is to facilitate education, to support scientific research and to nurture creative ecologically sound activities related to land, forests, wood and interior with an emphasis on ecology and aesthetics. Our faculty is a part of the Mendel University in Brno, a public university whose tradition dates back to 1919.
